RE: Application No. 08/961,083 (Atty. Docket No. PB340P2)

Per your request, enclosed are the last several papers filed in App. No. 08/961,083. What appears to have occurred is that we filed an amendment under 37 CFR 1.312 concurrently with the issue fee on April 27, 2000, but that amendment was (improperly) rejected as filed after payment of the issue fee. In response, we filed a petition to withdraw the case from issue together with a CPA requesting entry of the previous amendment. That petition was granted on December 11, 2000. We have nothing in our file since that date.

Please let me know if you need anything more. Thanks for your assistance
